

“Dig into Local” BEST MENU NC CONTEST

The North Carolina Department of Agriculture wants to showcase our states best menus featuring North Carolina

products and ingredients.

Do you think your menu showcases North Carolina products the best? Do you think it reflects the state’s agriculture diversity? If so, we want restaurants statewide to be a part of this

promotion and be recognized for that support. We'll choose the ten best menus using the following criteria:

- NC products, farms, manufacturers clearly identified on the menu
- Menus send a clear message of restaurants commitment to use local product
- Menu reflects “what’s in season” well
- Menu identifies items with unique regional connections
- NC beer, wine & spirits options noted
- Multiple courses reflect NC ingredients
- A good balance of NC ingredients seen in proteins, grains, fruits & vegetables
